

Triple Crown Premium Whole Race Oats

Use to help optimize performance and health.

GMO free product

The horse's upper respiratory tract is highly sensitive to dust. Performance and health can be compromised by dust. Feed only triple re-cleaned, dust free grains to optimize performance and health. Clean feed ensures the horse a clear airway, which is essential for top performance.

Guaranteed Analysis

Whole Oats

Ingredients

Whole Oats (Free from Restricted Ruminant Protein Products per Title 21, CFR 589.2000/2001)

Net Wt. 50 LBS (22.7kg)

Feeding Directions

Always provide good quality hay and/or pasture, salt and fresh clean water on a free choice basis. Adjust the amount of Triple Crown oats fed on a daily basis gradually to maintain horses body condition at a moderate level.

Do not feed more than 5 lb's of Triple Crown oats at a single meal and allow 3-4 hours between meals. Provide Triple Crown 30% Supplement at a feeding rate of 1.5 pounds per day for your average 1100 lb individual. If desired body condition is not met, please call us for consultation. 1-800-451-9916

NOTE: Provide plenty of fresh, clean water at all times. Keep product fresh in cool, dry storage. Examine product daily for mold or insect contamination. DO NOT use product that is old, molded or insect contaminated.
