

Triple Crown Rice Bran Oil Plus

A fat supplement for horses.

Triple Crown Rice Bran Oil Plus provides enhanced Omega-3 fatty acids through a unique combination of both Rice Bran Oil and Flaxseed Oil. We also add Soy Oil, which is high in Omega-6 fatty acids.

Omega-3 fatty acids are required for optimal immune system function, which in turn, improves health of the skin, hair, and liver function. Omega-6 fatty acids are effectively used for extra calories by hard working horses or hard-keepers.

Guaranteed Analysis

Crude Fat (min.)	98.0%
Total Fatty Acids (min.)	90.0%
Omega –3 as alpha-linolenic acid (min.)	30.0%
