Moisture (max.)	12.00%

INGREDIENTS

Timothy Hay, Beet Pulp, Calcium Hydroxide, Monosodium Phosphate, Magnesium Oxide, Copper Sulfate, Zinc Sulfate, Manganese Sulfate, Sodium Selenite, Calcium Iodate.

FEEDING DIRECTIONS

TO SUPPLEMENT HAY/PASTURE

1,000 lb. horse 4 - 6 lb. per day

TO USE AS A COMPLETE HAY REPLACEMENT

1,000 lb. horse 1.5 - 2% of body weight

OTHER CONSIDERATIONS

For older horses, horses with poor teeth or for horses prone to choke, cubes can be soaked in warm water to loosen and make a mash. It is recommended to offer in a feed tub, preferably at ground level.

Provide salt and plenty of fresh, clean water at all times. Keep product fresh in cool, dry storage. Examine product daily. DO NOT use if old, moldy or contaminated with insects.
