RULES/REGULATIONS:

NEW

While the program remains "Buy 15, Get \$30," we have amended some redemption rules in an effort to reduce program abuse so that we can continue to offer this program to our loyal customers.

- Submissions are limited to one name/contact per household/address.
- Households are limited to a total of 12 submissions per year.
- Households with multiple customers/contacts are now limited to one contact with a limit of 12 submissions per year. It is up to the household to designate/manage the name/contact to be used. Submissions from other names/contacts from that household will NOT be accepted. Proofs submitted under other names/contacts will be donated to the Triple Crown Cares Program and NOT returned.
- Submissions must include a first and last name for the designated contact of the household. Debit cards cannot be issued to farms, barns, stores or companies.
- Each name/contact must represent one unique customer. Multiple submissions using alternative names by an individual is considered fraud and can result in being banned from the program.
- Submissions are limited to 12 \$30 debit cards per household/address per calendar year (\$360 value).
- Proofs of purchase must be submitted; receipts will not be accepted.
- If submitting more than 15 proofs, proofs must be organized in groups of 15. Proofs are processed in increments of 15; unorganized, incomplete groupings will not be counted or returned.
- The Buy 15, Get \$30 Program cannot be combined with other offers/programs.
- Keep track of your submissions. Proofs submitted that exceed the yearly maximum redemption allowed (180 proofs) will not be returned.
- Triple Crown reserves the right to change or discontinue the program at any time.
